

Premium Backdrops

Our Premium Photo Booth Backdrops are crafted from tensioned fabric designed to stay smooth and crease-free, ensuring a flawless look from the moment they're set up. Our backdrops provide a bold and seamless visual background that enhances every photo.

Space Requirements

Our Premium Backdrops need a minimum clear space of **3m(W) x 2.4m(H)** to operate comfortably. The operating area must be completely level and located indoors away from the weather. Please take a moment to check that your chosen location has enough room before completing your booking, especially the ceiling height.
