

Deluxe Props Table

Take your photo booth experience to the next level with our **Deluxe Props Table** — a premium, styled collection designed to impress.

Featuring high-quality statement pieces, themed accessories, elegant masks, bold headwear, and standout props, this collection is carefully curated to elevate every photo. Each item is selected for visual impact, durability, and camera appeal — ensuring your guests look incredible while having fun.

Unlike basic party props, our Deluxe range delivers a more polished and cohesive aesthetic, making it perfect for weddings, corporate events, milestone celebrations, and luxury occasions.

The props are neatly displayed on a professional folding table measuring **122cm (L) x 61cm (D) x 94cm (H)**, styled with your choice of tablecloth in **Black, White, or Event Bliss Purple** to complement your event aesthetic.

For hosts who want more style, more impact, and more wow factor — Deluxe is the way to go.
